Current Report

Section 4 - Matters Related to Accountants and Financial Statements

Item 4.01 Changes in Registrant's Certifying Accountant.

On January 26, 2018, the Company received a resignation letter from our auditors, Malone Bailey. As part of the fund raising process, the company began reviewing our needs and fit with our partners as well as assessing all costs for the next year planning in December. The review of Accounting and Legal cost increasing escalated the assessment. While Malone Bailey is a very large firm and one of the top firms serving the OTC Markets, during the review, based solely on fit and financial considerations we are changing Auditors and accepted Malone Bailey's resignation. There were no disputes with the Company's prior Audits or Reviews completed by them. We are continuing on the Auditor transition and expect the announcement in the near future. We will have the new Auditors before the Audited Statements and Report for the year end and upcoming 10K.
